Elaboration

The evidence suggests the claim is false. A social media post from February 6, 2025, falsely claims Zelenskyy acquired the Kehlsteinhaus. A fact-check article explicitly states that Zelenskyy did not purchase the Eagle's Nest, which remains under the ownership of the Bavarian state.

Final Judgement

The claim is demonstrably false. The provided evidence includes a fact-check article that directly refutes the claim, stating that Zelenskyy did not purchase the Eagle's Nest.

```
false

Verdict: FALSE

Justification

The claim that Volodymyr Zelenskyy purchased the Eagle's Nest is false. A fact-check article explicitly states that Zelenskyy did not purchase the property, which remains under the ownership of the Bavarian state (Source).
