The New York Times published an article on July 22, 2024, about Kamala Harris and Benjamin Netanyahu (

Elaboration

The evidence confirms that Kamala Harris and Benjamin Netanyahu met on July 22, 2024, as indicated by the image from CNN and the New York Times article. However, the evidence does not contain any quotes from Kamala Harris. Therefore, I cannot verify whether she said, "Our support for Israel will continue."

Final Judgement

The search results confirm that Kamala Harris and Benjamin Netanyahu met on July 22, 2024. However, despite multiple searches, no evidence was found to support the specific quote attributed to Kamala Harris in the claim.

The claim cannot be verified because there is no evidence to support the quote. *false*

Verdict: FALSE

Justification

The claim that Kamala Harris said, "Our support for Israel will continue" on July 22, 2024, cannot be verified. While evidence confirms a meeting between Harris and Benjamin Netanyahu on that date, multiple searches of news articles and statements from that time did not yield the specific quote in question.
