Elaboration

The evidence indicates that Howard Buffett's foundation, not Warren Buffett himself, has donated approximately \$800 million to Ukraine since the start of the full-scale invasion. The foundation is on track to donate \$1 billion this year.

Therefore, the claim is partially correct, as the total amount donated exceeds \$500 million. However, the evidence specifies that the donations were made by Howard Buffett's foundation, not Warren Buffett directly.

Final Judgement

The evidence confirms that over \$500 million has been donated to Ukraine since 2022. However, the donations were made by Howard Buffett's foundation, not Warren Buffett himself.

Sources like [Fortune](#) and [Alliance magazine](#) confirm the foundation's significant contributions.
