## Elaboration

The search result from Getty Images provides stock photos and images of strawberry fields. The evidence does not provide any information about the image in the claim.

Insufficient information to verify the claim.

## Final Judgement

The claim is not supported by the evidence. The image in the claim is of a child in a strawberry field, and there is no evidence to suggest that the image is related to the rocket attack. The claim also includes an incorrect date. Therefore, the claim is false. false

**Verdict: FALSE**

## Justification

The claim is false. While there was a rocket attack on July 27, 2024, that killed children, the image provided in the claim is of a child in a strawberry field and is unrelated to the attack. The evidence includes reports from the UN News (<https://news.un.org/en/story/2024/07/1152581>) and the BBC (<https://www.bbc.co.uk/news/live/c6p2979yyzt>) about the attack.
