The web sources discuss the Samsung Olympic Games Pin and other Olympic souvenirs. One source from Samsung Mobile Press (<https://www.samsungmobilepress.com/feature-stories/paris-2024-samsung-puts-a-new-spin-on-a-long-standing-tradition-with-the-samsung-olympic-games-pin-masters-challenge>) shows the Samsung Olympic Games Pin

Another source from Samsung Newsroom (<https://news.samsung.com/global/paris-2024-samsung-puts-a-new-spin-on-a-long-standing-tradition-with-the-samsung-olympic-games-pin-masters-challenge>) shows a boy holding a board with Olympic pins

. Olympics.com (<https://www.olympics.com/athlete365/news/paris2024/win-limited-edition-paris-2024-souvenirs-with-pinquest>) shows a box with the word "PARIS" on it

## Elaboration

The evidence includes images of synchronized swimmers and Olympic pins. One image shows synchronized swimmers spelling out a message, which aligns with the claim. However, the evidence does not explicitly confirm that the image depicts the Israeli Olympic team or that they were prohibited from wearing "Bring Them Home" pins. The evidence does not mention the Israeli Olympic team or the "Bring Them Home" pins.

Therefore, the claim cannot be fully verified due to a lack of information.
