The image (

) depicts a fire at an oil refinery near Tehran. The image was published in articles from The Times of Israel (https://www.timesofisrael.com/liveblog_entry/huge-fire-at-refinery-near-tehran-extinguished-after-20-hours-report/), The Globe and Mail (<https://www.theglobeandmail.com/world/article-massive-fire-breaks-out-at-oil-refinery-south-of-tehran/>), and The New Arab (<https://www.newarab.com/news/massive-fire-breaks-out-oil-refinery-near-irans-capital>) on June 2, 2021. The fire was caused by a liquefied gas line leak and explosion.

Elaboration

The image shows a fire at an oil refinery near Tehran. The fire occurred on June 2, 2021, and was caused by a liquefied gas line leak and explosion. The image was published by AFP.

The claim that the image shows Israel bombing Tehran on October 26, 2024, is false.

Final Judgement

The image depicts a fire at an oil refinery near Tehran on June 2, 2021, not an Israeli bombing on October 26, 2024. The claim misrepresents the origin and context of the image.
