Elaboration

The evidence suggests that the US has not reinstituted the draft for the Israel-Hamas war. One source includes an image asking "IS THE DRAFT COMING BACK?", which implies that the draft is a topic of discussion. However, another source fact-checks the claim and states that there is no US military draft.

The evidence does not provide any information about the US reinstituting the draft.

Final Judgement

The search results include a fact-check that denies the claim. Therefore, the claim is false.
false

Verdict: FALSE

Justification

The claim is false. While there may be discussions about the draft, a fact-check from WGRZ.com states that the US has not reinstituted the draft for the Israel-Hamas war.
