## Elaboration

The evidence confirms that a US-flagged Maersk ship was targeted in a failed missile strike in the Gulf of Aden. The search results include images of Maersk vessels.

The evidence does not mention a spokesperson from Maersk or Denmark's shipping company

Maersk.

## Final Judgement

The claim is partially accurate. Evidence confirms that a US-flagged Maersk ship was targeted in a failed missile strike in the Gulf of Aden. However, the claim also mentions a spokesperson from Denmark's shipping company Maersk, which is not mentioned in the evidence. Therefore, the claim is not entirely accurate. `false`

**Verdict: FALSE**

## Justification

A US-flagged Maersk ship was targeted in a failed missile strike in the Gulf of Aden, as confirmed by the search results and related sources ([Source](#)). However, the claim also mentions a spokesperson from Denmark's shipping company Maersk, which is not mentioned in the evidence.
