Elaboration

The evidence indicates that Donald Trump signed an executive order related to UNRWA funding. However, the exact date of the order is not January 20, 2025. NPR reported the order was signed before February 3, 2025, and Al Jazeera and Akin Gump Strauss Hauer & Feld LLP reported on the order on February 4 and 5, 2025, respectively. The order either extended a funding ban or ordered a reevaluation of the United States' commitment to UNRWA.

The claim is inaccurate regarding the date.

Final Judgement

The evidence suggests that Trump did sign an executive order related to UNRWA funding, but the date provided in the claim (January 20, 2025) is incorrect. The order was signed before February 3, 2025.
