Elaboration

The evidence confirms that the image depicts Israelis in Pai, Thailand. The Bangkok Post and Pattaya Mail articles, published in February and August 2025, respectively, mention an investigation and controversy surrounding Israelis in Pai. The tourists stated they were there for tourism.

The claim that the Israelis in the image have stopped fighting wars and moved to become settlers is not supported by the evidence. The evidence only indicates their presence in Pai, Thailand, and their stated purpose of tourism.

Final Judgement

The image is confirmed to be of Israelis in Pai, Thailand, as evidenced by articles from the Bangkok Post and Pattaya Mail. However, the claim that they are settlers who stopped fighting wars is not supported by the evidence, which indicates they were there for tourism. Therefore, the claim is misleading. `false`
