## Evidence from **reverse\_search**

From [Source](#): Found exact image on website with title: Image of two mummified children in a Bolivian museum goes viral as ... Content: The article from Kashif, published on April 14, 2025, addresses a viral image of two mummified children. The image, which is also present in the claim, was falsely presented on social media as depicting children found under the rubble in Gaza. The article clarifies that the image actually shows mummified Spanish children from the 19th century, displayed in a Bolivian museum. The original photo was posted on Flickr in 2006.
