Elaboration

The claim is false. The image depicts mummified children from a Bolivian museum, not children found in Gaza. The image was posted on Flickr in 2006. While there have been instances of children being found in the rubble of homes in Gaza after Israeli airstrikes, as

reported by PBS News and BBC, the image in the claim is not related to those events.

Final Judgement

The image in the claim is of mummified children from a Bolivian museum, not children found in Gaza. The image has been circulating online with a false context. Therefore, the claim is not factually accurate. *false*

Verdict: FALSE

Justification

The image in the claim is of mummified children from a Bolivian museum, as confirmed by a reverse image search ([Source](#)). While there have been reports of children being found in the rubble in Gaza after Israeli airstrikes, the image is unrelated to those events.
