’). The Times of India states that Zelenskyy's real estate portfolio is worth \$4 million and includes two wholly owned apartments, two co-owned apartments, a commercial property, and five parking spaces. The OCCRP revealed that Zelensky and his inner circle were beneficiaries of a network of offshore companies. Zelensky handed his shares in a key offshore company over to Serhiy Shefir around the time of his 2019 election, but the two appear to have made an arrangement for Zelensky's family to continue receiving money from the offshore ([image:k](#)).

Final Judgement

The claim is demonstrably false. Multiple sources, including Snopes, The Times of India, and AOL, provide evidence that contradicts the claim's assertions about Zelenskyy's property, assets, and income. The evidence shows significant discrepancies in the number of properties, the existence of private planes, the amount of money in overseas accounts, and the monthly income.

Verdict: FALSE

Justification

The claim that Volodymyr Zelenskyy owns 15 homes, a \$35 million Florida home, \$1.2 billion in an overseas bank account, three private planes, and has a monthly income of \$11 million is false. Fact-checks from sources like [Snopes](#) and [AOL](#) show that Zelenskyy's actual

assets and income are significantly lower than what is stated in the claim.
