Newsweek (<https://www.newsweek.com/ukraine-hits-back-elon-musk-over-meme-taunting-zelensky-1831547>) discusses a meme posted by Elon Musk on X that mocked Ukrainian President Volodymyr Zelensky.

Elaboration

The AOL article (<https://www.aol.com/fact-check-elon-musk-didn-164103080.html>) explicitly states that the claim is false, and the image is fake. The evidence also includes articles from Politico.eu (<https://www.politico.eu/article/billionaire-elon-musk-mocks-ukraine-president-zelenskyy-asking-aid-with-meme/>) and Newsweek (<https://www.newsweek.com/ukraine-hits-back-elon-musk-over-meme-taunting-zelensky-1831547>) that discuss memes posted by Elon Musk mocking Zelenskyy, but not the specific one mentioned in the claim.

Therefore, the claim is false.

Final Judgement

The fact-check reveals that the image of the X post is fake, and the claim that Elon Musk posted "The last dollar for Zelenskiy" is false. While Elon Musk has posted memes mocking

Zelenskyy, the specific post in the image is not authentic.
