## Evidence

No new evidence found.

## Elaboration

The claim presents an image and identifies the individuals as Mayar Hamida and Bilal Hamida, who were allegedly killed by Israel. The claim also provides the date and location of the incident. However, the provided evidence does not contain any information to verify the claim.

I need additional information to verify the claim, such as news reports, official statements, or other sources that confirm the identities of the individuals, the circumstances of their deaths, and the involvement of Israel.

## Elaboration

The evidence confirms that an Israeli attack occurred on a UN school in the Al-Nuseirat refugee camp, resulting in casualties. Al Jazeera reports at least 16 deaths. Le Monde also reports on an Israeli airstrike on an UNRWA school in central Gaza. However, the evidence does not explicitly mention Mayar Hamida and Bilal Hamida or confirm their deaths in this specific incident.

To verify the claim, I need to find a source that directly links Mayar Hamida and Bilal Hamida to the attack on the UN school in Al-Nuseirat refugee camp on July 6, 2024.
