Evidence from image_search

From [Source](#): Content: The search result from Dreamstime shows a water tank with clothes drying in Sorong, Indonesia.

Elaboration

The geolocation data suggests the image was most likely taken in Palestine. The web search results provide context about the conflict in Gaza, including the impact of flooding and actions by the Israeli army. The image search reveals a similar scene of drying clothes on a tank in Indonesia.

The claim states the image was taken in Gaza in July 2024. The Al Jazeera article from November 2024 discusses flooding in Gaza, which could be related to the image. However, the provided evidence does not confirm the image's date or location. The tank in the image could be an Israeli tank, but this is not explicitly stated in the evidence.

More information is needed to verify the claim, specifically the date and location of the image, and the type of tank.
