Elaboration

The evidence confirms that the image depicts Volodymyr Zelensky and Klaus Schwab at the World Economic Forum. The first source indicates that Zelensky addressed business leaders at the Annual Meeting of the World Economic Forum in Davos, Switzerland, in January 2024. The second source, published in July 2025, also mentions the same event and includes the image in question.

The evidence supports the claim that the image shows Zelensky in a suit at the World Economic Forum. However, the evidence does not explicitly state that the meeting occurred after the large-scale Russian invasion of Ukraine.

Final Judgement

The image shows Volodymyr Zelensky and Klaus Schwab at the World Economic Forum. The event took place in Davos, Switzerland, in January 2024. The evidence confirms the presence of Zelensky and Schwab at the forum, but it does not explicitly confirm that the meeting occurred after the large-scale Russian invasion of Ukraine.
