Elaboration

The claim is partially supported by the evidence. The image in the claim was used in an article about an Israeli air attack on Damascus. Al Jazeera reported on Israel bombing military targets in southern Syria outside Damascus in February 2025. However, the evidence does not confirm that the image shows the destruction of the last remaining army depots.

Final Judgement

The claim is partially supported by the evidence. The image was used in an article about an Israeli air attack on Damascus. Al Jazeera reported on Israel bombing military targets in southern Syria outside Damascus in February 2025. However, the evidence does not confirm that the image shows the destruction of the last remaining army depots. Therefore, the claim is not entirely accurate. false
