Elaboration

The claim is not supported by the evidence. While the evidence confirms that Hassan Nasrallah was killed in an Israeli airstrike in Beirut on September 28, 2024, the image of the ring's remains is not related to Nasrallah. Multiple sources state that the image is old and does not belong to Nasrallah.

Final Judgement

The evidence confirms that Hassan Nasrallah was killed in an Israeli airstrike in Beirut on September 28, 2024. However, the image of the ring's remains is not related to Nasrallah. Multiple sources state that the image is old and does not belong to Nasrallah. Therefore, the claim is false.
