Elaboration

The evidence indicates that Donald Trump did post on Truth Social on July 25, 2024, and that there was an attempted assassination of him on July 13, 2024. However, the evidence does not support the claim that Trump posted "I hope that America obliterates Israel." Instead, one source indicates that Trump called for the annihilation of Iran if they assassinate him (<https://www.iranintl.com/en/202407252585>).

Final Judgement

The evidence confirms that Donald Trump posted on Truth Social on July 25, 2024, and that there was an attempted assassination of him on July 13, 2024. However, the evidence does not support the specific quote attributed to Trump in the claim. Instead, a source indicates that Trump called for the annihilation of Iran if they assassinate him.

false
