Elaboration

The claim is not supported by the evidence. The image predates the claim and was featured in a 2020 article and a 2019 YouTube video. The image is of Benjamin Netanyahu's private residence in Caesarea.

Final Judgement

The image is of Benjamin Netanyahu's house, but it was taken before August 2024. The claim that it was taken by a Hezbollah drone in August 2024 is not supported by the evidence.

false

Verdict: FALSE

Justification

The image in the claim is of Benjamin Netanyahu's house, but it predates the claim, appearing in a 2020 article by *Times of Israel* and a 2019 YouTube video, thus disproving the assertion that it was taken by a Hezbollah drone in August 2024.
