Elaboration

The evidence confirms that Gal Gadot's star on the Hollywood Walk of Fame was vandalized. The image search results show a picture of the damaged star, which matches the image in the claim. The web search results from FOX 11 and The Jerusalem Post confirm the vandalism and provide additional details, including the words "baby killer" and a sticker. The evidence also indicates that Gadot received her star in March of the same year.

The claim is partially accurate. The image does show a vandalized star on the Hollywood Walk of Fame, and the evidence confirms that it was Gal Gadot's star. However, the claim that the vandalism occurred in March 2025 is not supported by the evidence.
