Elaboration

The evidence indicates that the claim is false. Fact Crescendo explicitly states that there has been no official declaration of war by Russia against the USA. While the BBC article discusses the war in Ukraine and Putin's goals, it does not mention any declaration of war against the United States. The Journal of Democracy article discusses Putin's hostile policies towards the United States but does not mention a declaration of war.

Final Judgement

The evidence from multiple sources confirms that there has been no declaration of war by Russia against the United States. Therefore, the claim is demonstrably false.
