Elaboration

The evidence indicates that Benjamin Netanyahu met with Donald Trump at the White House in April 2025. However, the provided sources do not mention any plans to resettle Palestinians in Gaza to Ukraine and Syria during this visit.

Later reports from August 2025 discuss Israel's plans for Gaza, including taking control of Gaza City and handing it over to Arab forces. There is also mention of a White House meeting on the future of Gaza.

The claim is not supported by the evidence. The evidence does not mention the resettlement plan.

Final Judgement

The fact-check reveals that while Benjamin Netanyahu did meet with Donald Trump at the White House in April 2025, there is no mention of plans to resettle Palestinians in Gaza to Ukraine and Syria during that visit. Later reports discuss Israel's plans for Gaza, but not the resettlement plan.
