Elaboration

The evidence confirms that Greta Thunberg has expressed anti-Israel sentiments. Specifically, she declared "f-k Israel" at an anti-Israel rally in Germany, as reported by multiple news outlets (<https://nypost.com/2024/12/09/world-news/greta-thunberg-bursts-into-laughter-as-she-declares-f-k-israel-at-rally/>). The image in the claim shows Thunberg holding a sign with the same message. However, the evidence does not explicitly confirm the image's authenticity or the exact date (November 2024) the image was taken.

Final Judgement

The claim is partially true. While Greta Thunberg did express the sentiment "Fuck Israel" at a rally, the evidence does not confirm the image's authenticity or the specific date (November 2024) the image was taken. Therefore, the claim is only partially accurate. `false`
