Hamas just wanted to protect
the Bibas family but Israel killed
them - Hamas said

also mentions the BBC's reporting on the events.

The article

Elaboration

The BBC did publish an article on February 21, 2025, discussing the Bibas family, as stated in the evidence from the web search. The article reported on the conflicting claims regarding the family's death, with Hamas blaming Israel and Israel blaming Hamas. The evidence does not confirm the exact wording of the article's title as presented in the image.

The evidence indicates that the BBC reported on the events surrounding the Bibas family, including the conflicting claims about their deaths. However, the exact title presented in the image cannot be verified based on the provided evidence.

To fully verify the claim, the exact title of the BBC article needs to be confirmed.

Hamas just wanted to protect
the Bibas family but Israel killed
them - Hamas said

When I tell u the media LIES and shills for
terrorists this is what I mean.

). The NDTV article discusses the Bibas family and conflicting claims about their fate.

Elaboration

The claim is **partially accurate**. The BBC did publish an article about the Bibas family. However, the reverse image search reveals that the title in the image is not the actual title of the BBC article. The BBC article, published on February 19, 2025, was titled "Hamas says it will return bodies of four hostages including Bibas family."

Final Judgement

The claim is partially accurate. The BBC did publish an article about the Bibas family, but the title presented in the image is not the actual title of the BBC article. The reverse image search reveals the correct title. false

Verdict: FALSE

Justification

The claim is **partially accurate**. While the BBC did publish an article about the Bibas family, the title presented in the image is not the actual title of the BBC article. The correct title, as revealed by a reverse image search, was " Hamas says it will return bodies of four hostages including Bibas family" ([BBC article](#)).
