## Elaboration

The provided evidence does not contain any information about the US reinstituting the draft in 2024 for the Israel-Hamas war. The search results focus on the US's actions within the UN regarding the conflict, specifically its veto of a ceasefire resolution.

Therefore, the claim cannot be verified based on the available evidence.

## Elaboration

The evidence indicates that the US has not reinstituted the draft. While there are discussions about the possibility of a draft, and the US is involved in the Israel-Hamas war, there is no evidence to support the claim that the draft was reinstituted in 2024. A source explicitly states that there is no US military draft.

# Final Judgement

The fact-check reveals that while the US is involved in the Israel-Hamas war, there is no evidence to support the claim that the draft was reinstituted in 2024. The search results focus on the US's actions within the UN regarding the conflict and discussions about the possibility of a draft, but no evidence confirms the claim.

false

**Verdict: FALSE**

## Justification

The fact-check found no evidence to support the claim that the US reinstituted the draft in 2024 for the Israel-Hamas war. While the US is involved in the conflict, and there are discussions about the possibility of a draft, a source explicitly states that there is no US military draft (<https://www.abc10.com/article/news/verify/israel-hamas-war/no-us-military-draft-executive-order-israel-hamas-war-fact-check/536-e5115746-d86f-45a1-bf43-f180d76f13e0>).
