Evidence from web_search

Al Jazeera reports that at least 16,800 children have been killed in Israeli attacks since October 7, 2023. Press TV published an article on November 25, 2023, stating that Mayar and Bilal Hamida were killed in an Israeli airstrike on October 23, 2023, along with their mother in their home in the Gaza Strip.

Palinfo.com published an article on November 18, 2023, stating that Mayar and Bilal Hamida, children of Palestine TV correspondent Nidal Hamida, were killed in Israeli

airstrikes in October 2023.

Elaboration

The claim states that Mayar and Bilal Hamida were killed on July 6, 2024, at the Al-Jaoni UN school. However, the evidence indicates that Mayar and Bilal Hamida were killed in October 2023, not July 2024, in an Israeli airstrike. The evidence also mentions a separate event on June 8, 2024, in Nuseirat, where many Palestinians were killed.

Therefore, the claim is inaccurate regarding the date of the children's death and the location.

Final Judgement

The claim is inaccurate because the provided evidence indicates that Mayar and Bilal Hamida were killed in October 2023, not July 6, 2024, as stated in the claim. The claim also incorrectly states that they were killed at the Al-Jaoni UN school.
