Evidence from web_search

The search results provide information about Tomer Bar, the current Commander of the Israeli Air Force, who assumed office on April 4, 2022 ([image:k](#)). The Jerusalem Post (<https://www.jpost.com/tags/tomer-bar>) and The Times of Israel (<https://www.timesofisrael.com/topic/tomer-bar/>) have published articles mentioning Tomer Bar. The Times of Israel published an article from June 28, 2024, where Tomer Bar said the IDF is ready to face Hezbollah, and another article from December 10, 2024, discusses a drone that hit a building in Yavne. An article from August 12, 2025, mentions Tomer Bar saying he will not allow political polarization to split troops under his command ([image:i](#)).

Elaboration

The claim is false. Fact-checks from AOL and Inshorts confirm that Tomer Bar is alive and was not killed in a drone attack. Additionally, CUFI.org mentions Tomer Bar in the context of a drone strike, but not as a victim.

Final Judgement

The evidence from multiple sources, including fact-checks from AOL and Inshorts, confirms that the claim is false. These sources state that Tomer Bar is alive and was not killed in a drone attack.
