false

Verdict: FALSE

Justification

The image in the claim is of an airliner, not Chinese Red Cross troops. While there is evidence of Chinese involvement in the Russia-Ukraine conflict, including the Red Cross Society of China and Chinese troops marching in a Moscow parade (<https://www.theguardian.com/weather/2025/may/09/chinese-troops-march-with-russian-forces-as-xi-joins-putin-for-victory-day-parade>), the provided evidence does not support the claim that the image depicts the troops setting off for the front.
