The New York Times published an article in 2024 (

). The Guardian published an article on August 20, 2024, discussing Biden's nuclear strategy

and the threat from China (

).

Tasnim News published an article on August 21, 2024, about Joe Biden and nuclear strategy, focusing on China (

).

Elaboration

The evidence suggests that in 2024, during his presidency, Joe Biden's nuclear strategy was a topic of discussion. The Guardian and Tasnim News specifically mention China in relation to Biden's nuclear strategy. However, the evidence does not explicitly state that Biden ordered the US forces to prepare for nuclear confrontations with Russia, China, and North Korea.

More information is needed to verify the claim fully. Specifically, the content of the articles from The New York Times, The Guardian, and Tasnim News needs to be examined to determine if they support the claim.
