Elaboration

The evidence indicates that a drone attack targeted Benjamin Netanyahu's residence in Caesarea, Israel, on October 19, 2024. However, the evidence explicitly states that neither Netanyahu nor his wife were present during the attack and that there were no casualties. Therefore, the claim that Yair Netanyahu was killed in the attack is false.

Final Judgement

The evidence confirms a drone attack on Benjamin Netanyahu's residence on October 19,

2024, but also confirms that there were no casualties. The claim that Yair Netanyahu was killed in the attack is demonstrably false, as multiple sources state that no one was harmed.

false

Verdict: FALSE

Justification

The claim is false. While a drone attack did target Benjamin Netanyahu's residence in Caesarea, Israel, on October 19, 2024, as reported by sources like [Wikipedia](#), [The Times of Israel](#), and [NBC News](#), there were no casualties.
