 CALIFORNIA WILDFIRES AND UKRAINE: A SURPRISING CONNECTION?

As deadly wildfires rage in southern California, the LA County Fire Department struggles after donating "surplus" equipment to Ukraine in 2022, per ABC 7. That gear could have been crucial in battling today's crisis

that discusses
California wildfires and Ukraine. The Voice of America discusses Russia exploiting California

wildfires to push propaganda

NPR.org contains an image of a fire

Elaboration

The evidence does not mention Russia offering assistance for the California wildfires. Instead, it discusses Russia's involvement in the California wildfires, including exploiting them for propaganda. The evidence does not provide any information about the date of the wildfires.

Insufficient information to verify the claim.

Evidence

Evidence from `image_search`

The Guardian published an article on January 9, 2025, about the growing danger and destruction of California's wildfires, including an image of a firefighter and a helicopter fighting a fire (

). The New York Times published an article on January 8, 2025, about the Los Angeles wildfires (

). Al Jazeera discusses the California wildfires and contains an image of firefighters and a fire (

).

Elaboration

The evidence indicates that there were California wildfires in January 2025. However, the evidence does not mention Russia offering assistance for these wildfires.

Insufficient information to verify the claim.

Final Judgement

The search results show that there were California wildfires in January 2025. However, the evidence does not mention Russia offering assistance for these wildfires.

false

Verdict: FALSE

Justification

The fact-check reveals that while there were indeed California wildfires in January 2025, as evidenced by articles from sources like *The Guardian* and *The New York Times*, there is no supporting evidence to suggest that Russia offered assistance for these wildfires. Therefore, the claim is unsubstantiated.
