## Evidence

Evidence from **reverse\_search**

The image (

) shows a Syrian child named Sham who was rescued from the rubble in Armanaz, Idlib, after an earthquake on February 7, 2023. She was later treated in hospitals in Turkey and Abu Dhabi. The image is also present in an article discussing the "manual of repression" shared by modern tyrants, where it is shown during a presentation at the Oslo Freedom Forum.

The sources are: [Enab Baladi](#), [UAE Times](#), and [El País](#).

## Elaboration

The image depicts a Syrian child, Sham, rescued from the rubble in Armanaz, Idlib, after an earthquake on February 7, 2023. The claim that the image shows a Palestinian child in Gaza after an Israeli airstrike in July 2024 is false.

## Final Judgement

The claim is demonstrably false as the image is of a Syrian child rescued after an earthquake in 2023, not a Palestinian child in Gaza after an Israeli airstrike in 2024. The image is being

misrepresented. false

## **Verdict: FALSE**

### **Justification**

The image depicts a Syrian child, Sham, rescued from the rubble in Armanaz, Idlib, after an earthquake in February 2023, as reported by [Enab Baladi](#), [UAE Times](#), and [El País](#). The claim misrepresents the image's context, falsely associating it with a Palestinian child in Gaza after an Israeli airstrike in July 2024.
