**TRUMP: You have to be thankful! We've given you a lot.**

**ZELENSKYY: Thankful? My people are dying. Our cities are burning. And you're here demanding gratitude while threatening to cut us off?**

**TRUMP: You don't have the cards right now.**

**ZELENSKYY: Because you held them. You delayed aid. You repeated Putin's lies. You gave Russia an opening.**

**VANCE: Ukraine has to be realistic.**

**ZELENSKYY: Realistic? Russia is stealing our land, executing civilians, and kidnapping our children. What part of that should I be realistic about?**

**TRUMP: It's gonna be very hard to do business like this, Volodymyr.**

**ZELENSKYY: Business? This isn't a real estate deal. You can walk away. We can't.**

**TRUMP: If I was president, this never would have happened!**

**ZELENSKYY: Because you would've just handed Ukraine over.**

,

). The 2024 G20 Rio de Janeiro summit will be held from 18–19 November 2024, hosted by Brazil. Giorgia Meloni, Prime Minister of Italy, will be present at the summit ([Source](#)).

On November 18, 2024, on the margins of the G20 Leaders' Summit in Rio de Janeiro, Brazil, the Prime Minister of Canada, Justin Trudeau, met with Giorgia Meloni, and they reaffirmed their commitment to stand with Ukraine against Russia's ongoing war of aggression ([Source](#)).

### **Evidence from web\_search**

An article from The Atlantic Council, published on September 5, 2025, mentions that Italian Prime Minister Giorgia Meloni condemned violence. [

] Another article from November 23, 2023, reports that Giorgia Meloni called on Putin to end the war and withdraw troops from Ukraine at the G20 meeting. [Source](#)

The Guardian published an article on November 15, 2022, about Russia launching missile strikes across Ukraine while G20 leaders met in Bali. [

## Elaboration

The evidence indicates that Giorgia Meloni attended the G20 summit in Rio de Janeiro in November 2024. However, the provided sources do not contain any information about Meloni condemning the US-Ukrainian bombing of Russia at the summit. Instead, the evidence shows that Meloni reaffirmed her commitment to stand with Ukraine against Russia's aggression. Furthermore, a source from November 2023 indicates that Meloni called on Putin to end the war and withdraw troops from Ukraine at the G20 meeting.

Therefore, the claim cannot be verified based on the provided evidence.

## **Final Judgement**

The available evidence does not support the claim that Giorgia Meloni condemned the US-Ukrainian bombing of Russia at the G20 summit in Rio de Janeiro in November 2024. The evidence suggests that she supported Ukraine and called for Russia to end the war.

false

**Verdict: FALSE**

## **Justification**

The claim is false. While Giorgia Meloni attended the G20 summit in Rio de Janeiro in November 2024, evidence indicates she supported Ukraine and called for Russia to end the war, not that she condemned US-Ukrainian actions.
