## Elaboration

The claim is false. Fact-checks from aol.com and Inshorts state that there is no evidence to support the claim that Tomer Bar was killed in a drone strike. Furthermore, articles from The Jerusalem Post and The Times of Israel, published in 2024 and 2025, mention Tomer Bar, indicating he is alive. While Press TV reports that Hezbollah claimed to have targeted Tomer Bar's residence, this does not confirm his death.

## Final Judgement

The claim is demonstrably false. Multiple sources, including fact-checks from aol.com and Inshorts, confirm that there is no evidence to support the claim that Tomer Bar was killed. Additionally, articles from The Jerusalem Post and The Times of Israel, published in 2024 and 2025, mention Tomer Bar, indicating he is alive.
