Final Judgement

The image in question has been used in reports about an Israeli strike on Nabatieh, Lebanon, in June 2024, and is also found in articles discussing the conflict between Israel and Hezbollah. The image search results show that there have been Israeli strikes on Deir al-Balah, Gaza, but the provided image is not among them. Therefore, the claim that the image depicts an event in Deir al-Balah in March 2025 is not supported by the evidence.

false

Verdict: FALSE

Justification

The image in the claim is associated with an Israeli strike on Nabatieh, Lebanon, in June 2024, as reported by L'Orient Today (<https://today.lorientlejour.com/article/1418485/israeli-strike-on-nabatieh-at-least-7-injured-and-14-suffocated.html>). The image does not appear in the search results for events in Deir al-Balah, Gaza. Therefore, the claim is false.
