Evidence

Evidence from **reverse_search**

The image

is found on multiple websites. One website, "[Islamic State \(ISIS\) cell reportedly attacked ... - Syria Live Map](#)", labels the image as "A picture of the raid that targeted the Al-Laylaki area a short while ago" and dates it October 22, 2024, and also contains news about the Syrian civil war

. Another website, "[News Live - Oregon](#)", also contains the image and news from Oregon

The image is also found on "[Middle East on the brink: Gaza, Israel, Iran - Harapan Daily](#)" in an article discussing the Israeli aggression against Gaza, the role of the United States and the West, and the Iranian factor

Elaboration

The claim that the image shows Israel launching attacks on Iranian military targets on October 26, 2024, is not supported by the evidence. The reverse image search reveals that the image is associated with events in Syria and Oregon, and also with an article discussing the Israeli aggression against Gaza. The image is dated October 22, 2024, which contradicts the claim's date.

Final Judgement

The image is associated with events in Syria and Oregon, and also with an article discussing the Israeli aggression against Gaza. The image is dated October 22, 2024, which contradicts the claim's date. Therefore, the claim is not factually accurate. `false`

Verdict: FALSE

Justification

The image in the claim is associated with events in Syria and Oregon, and also with an article discussing the Israeli aggression against Gaza, as evidenced by a reverse image search. The image is dated October 22, 2024, which contradicts the claim's date of October 26, 2024. Therefore, the claim is false.
