Evidence

Evidence from **reverse_search**

The image of Israeli tanks (

) appears in multiple news articles. One article from NBC News (<https://www.nbcnews.com/news/world/israel-hamas-war-tank-fires-at-car-gaza-strip-rcna122801>) describes an incident where an Israeli tank fired at a car in Gaza.

Another article from ABC News (<https://www.abc.net.au/news/2024-05-28/israel-rafah-offensive-gaza/103904720>) discusses the Israeli offensive in Rafah, Gaza, and mentions Israeli tanks reaching the center of Rafah. The Chicago Council on Global Affairs (<https://globalaffairs.org/commentary-and-analysis/blogs/russian-youth-more-favorable-toward-israel-older-generations>) also uses the image in an article discussing Russian youth's views on the Israeli-Palestinian conflict.

Elaboration

The evidence indicates that the image depicts Israeli tanks. However, the provided articles do not support the claim that the image shows the Israeli army reaching Damascus in Syria in December 2024. The articles mention Israeli tanks in Gaza and Rafah, but not in Damascus.

Therefore, the claim is not supported by the evidence.

Final Judgement

The image shows Israeli tanks, but the claim that it depicts the Israeli army reaching Damascus in Syria in December 2024 is not supported by the provided evidence. The evidence indicates that the image is related to events in Gaza.

false

Verdict: FALSE

Justification

The image depicts Israeli tanks, but the claim that it shows the Israeli army reaching Damascus in Syria in December 2024 is false. The reverse image search results show the image is associated with events in Gaza, as reported by sources like [NBC News](#) and [ABC News](#).
