Evidence

Evidence from **reverse_search**

The image appears in multiple sources. One source, 9jaflaver.com, published on October 7, 2023, discusses the Hamas attack on Israel and includes images of the aftermath, including destroyed vehicles and buildings

. Another source, [Nairaland](https://nairaland.com), also from October 7, 2023, discusses the Hamas attack and includes the image

A forum post from dawahilallah.com contains the image

and reports on an attack by Al-Qassam Brigades on two Israeli Merkava tanks in Khan Yunis, dated August 14, 2025, and also includes an article about the capture of a military base in

Burkina Faso by JNIM fighters

Elaboration

The image

Final Judgement

The image appears in multiple sources, including reports about the Hamas attack on Israel in October 2023. The claim states the event happened in October 2024, which is a year later. The image is also used in a forum post about an attack in August 2025.

The claim is not factually accurate because the image is misrepresented in a new context. The image is from 2023, not 2024. false

Verdict: FALSE

Justification

The image of the burning tank,

, is associated with the Hamas attack on Israel in October 2023, as reported by sources like 9jaflaver.com and [Nairaland](https://Nairaland.com). The claim that the event occurred in October 2024 is therefore inaccurate.
