## Elaboration

The evidence suggests that on July 22, 2024, Kamala Harris's support for Israel was a topic of discussion. The website [boughtbyzionism.org](https://www.boughtbyzionism.org) references an endorsement by the Jewish Democratic Coalition of America on July 22, 2024, and USA TODAY published an article on July 23, 2024, discussing Harris's statements on the Israel-Gaza conflict. However, the provided evidence does not explicitly state that Harris said, "Our support for Israel will continue" on July 22, 2024, amid Benjamin Netanyahu's visit to the United States.

Therefore, the claim cannot be fully verified based on the available information.

## Evidence from web\_search

The New Jersey Monitor, Reuters, and The Guardian reported on a meeting between Vice President Kamala Harris and Israeli Prime Minister Benjamin Netanyahu in Washington, D.C. on July 25, 2024. The New Jersey Monitor (<https://newjerseymonitor.com/2024/07/25/vp-harris-meets-with-netanyahu-to-discuss-israel-hamas-war-in-gaza/>) mentions Harris expressing concern about the suffering in Gaza and her support for a two-state solution (

). Reuters (<https://www.reuters.com/world/us/biden-harris-meet-netanyahu-separately-gaza-ceasefire-2024-07-25/>) reports that Harris stated, "It is time for this war to end," and pressured Netanyahu to reach a Gaza ceasefire deal (

).

The Guardian (<https://www.theguardian.com/world/article/2024/jul/26/kamala-harris-benjamin-netanyahu-us-visit-palestine-israel-gaza-war>) reported that Harris said, "I will not be silent" on the suffering in Gaza and stated her "unwavering commitment to the existence

of the state of Israel" (

## Elaboration

The evidence indicates that Kamala Harris met with Benjamin Netanyahu on July 25, 2024, not July 22, 2024, as stated in the claim. During this meeting, Harris expressed concern about the suffering in Gaza, supported a two-state solution, and stated her "unwavering commitment to the existence of the state of Israel." However, the evidence does not contain the exact quote from the claim.

Therefore, the claim is not fully supported by the evidence.

## Final Judgement

The evidence suggests that Kamala Harris met with Benjamin Netanyahu on July 25, 2024, and discussed the Israel-Gaza conflict. While Harris expressed support for Israel, the exact quote from the claim ("Our support for Israel will continue") on July 22, 2024, is not found in the provided evidence.

false

**Verdict: FALSE**

## Justification

The claim is not supported by the evidence. While Kamala Harris met with Benjamin Netanyahu on July 25, 2024, and discussed the Israel-Gaza conflict, the provided sources do not contain the exact quote from the claim ("Our support for Israel will continue") on July 22, 2024. The meeting on July 25th is documented by the New Jersey Monitor, Reuters, and The Guardian.
