Evidence

Evidence from `reverse_search`

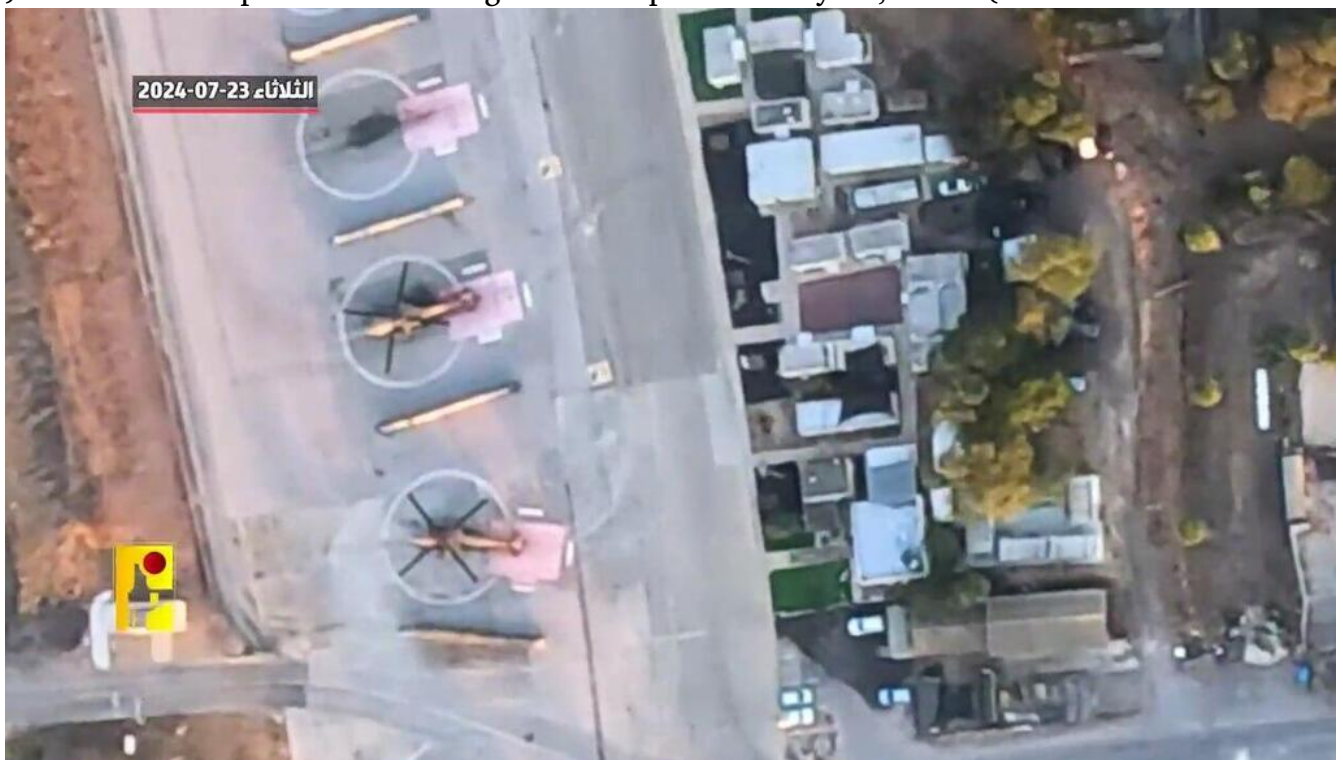

The image

Evidence from `image_search`

The Times of Israel published drone footage of Ramat David airbase. (

) Ynetnews.com published an image of helicopters on July 23, 2024. (

)

The first source, [Source](#), has no content.

Elaboration

The evidence includes drone footage and an image of helicopters at Ramat David airbase. However, there is no information about an attack on the airbase by Hezbollah. The provided

image

Final Judgement

The evidence does not confirm the claim that the image depicts an attack on the Ramat David airbase by Hezbollah. The search results show images of the airbase, but not of an attack.

false

Verdict: FALSE

Justification

The claim is false. While the provided evidence includes images of the Ramat David airbase, there is no evidence to support the claim that the image depicts an attack on the airbase by Hezbollah.
