Reuters (<https://www.reuters.com/world/middle-east/rocket-attack-targets-military-base-hosting-us-forces-baghdad-military-sources-2024-09-30/>) reports on a rocket attack near

Baghdad International Airport on September 30, 2024, targeting a military base hosting U.S. forces. ReliefWeb (<https://reliefweb.int/report/iraq/ishm-september-26-october-3-2024>) discusses attacks on September 30, including attacks by the "Islamic Resistance in Iraq" on Israeli targets.

The Wikipedia article (https://en.wikipedia.org/wiki/September_2024_Israeli_attacks_against_Lebanon) discusses the September 2024 Israeli attacks against Lebanon, which were part of the ongoing Israel–Hezbollah conflict. On September 30, 2024, Hezbollah fired rockets into northern Israel and the Golan Heights.

Elaboration

The image

Final Judgement

The image is not related to the event described in the claim. The image is from a fire at a chemical plant in New Jersey and a fireworks warehouse in California. While there were attacks on September 30, 2024, including a rocket attack near Baghdad International Airport, the image does not depict this event.

misleading

Verdict: MISLEADING

Justification

The image in the claim is not related to the alleged attack in Baghdad on September 30, 2024. Reverse image searches show the image depicts a fire at a chemical plant in New Jersey and a fireworks warehouse in California. While there were attacks on September 30, 2024, including a rocket attack near Baghdad International Airport ([Reuters](#)), the image does not depict this event.
