## Evidence

Evidence from `image_search`

Al Jazeera published an article about Israel bombing Hezbollah sites, including an image of a soccer field (

). Axios reports on an attack in the Golan Heights on July 27, 2024 (

). The Los Angeles Times reports on a rocket attack on a town in the Israeli-controlled Golan Heights on July 27, 2024, which killed at least 10 people (

).

## Elaboration

The evidence indicates that there was an attack in the Golan Heights on July 27, 2024, and that the Los Angeles Times reported that at least 10 people were killed. However, the evidence does not mention the image of the child, nor does it mention the claim that 12

children playing soccer were murdered.

Insufficient information is available to verify the claim.

## **Final Judgement**

The fact-check reveals that the image in the claim is not related to the alleged event. While there were attacks in the Golan Heights on July 27, 2024, the provided evidence does not confirm the claim about the image or the specific details of the event.

false

**Verdict: FALSE**

## **Justification**

The claim is unsubstantiated. While there were attacks in the Golan Heights on July 27, 2024, the provided evidence does not connect the image to the alleged event or confirm the specific details of the claim. The Anadolu Agency fact-checked the image and found no connection.
