Evidence

Evidence from web_search

JetBlue Airways changed Israel's borders and labeled the area as "Palestinian Territories" on its in-flight map, which sparked outrage ([image:i](#)). The incident was reported by The Jerusalem Post on September 4, 2024, and The Times of Israel also reported on the incident. JetBlue stated that the map was provided by a third-party company.

JetBlue decided to change its in-flight maps after complaints about the labeling of Israel as "Palestinian Territories". The airline is switching map vendors and has asked the current vendor to adjust the map to align with U.S. government guidelines. The article also mentions related incidents involving Delta and United Airlines regarding the wearing of Palestine pin badges by flight attendants. The article was published on September 9, 2024, by Mateusz

Maszczyński ().
