Evidence from image_search

The Guardian published an image of Volodymyr Zelenskyy signing a bomb (

). The BBC News website shows an image of Volodymyr Zelenskyy signing artillery shells (

). The Penn Capital-Star published an article about Volodymyr Zelenskyy's visit to an ammunition factory (

).

Elaboration

The evidence indicates that the image shows Volodymyr Zelenskyy signing ammunition, specifically artillery shells, at an ammunition factory. The event occurred in September 2024. The evidence does not mention Israeli bombs or that the ammunition was intended for use against Palestinians in Gaza.

Therefore, the claim is not supported by the evidence.

Final Judgement

The image shows Volodymyr Zelenskyy signing ammunition, not Israeli bombs. The event took place in September 2024, not March 2025. There is no evidence to support the claim that the ammunition was intended for use against Palestinians in Gaza.

false

Verdict: FALSE

Justification

The image depicts Volodymyr Zelenskyy signing artillery shells at an ammunition factory in September 2024, as reported by the BBC News (<https://www.bbc.co.uk/news/articles/c80rkv0k4j8o>). The evidence does not support the claim that the image shows Israeli bombs or that the ammunition was intended for use against Palestinians in Gaza.
