Evidence

Evidence from **reverse_search**

The image was found on a website with the title "Dollar Bill Frame Gold Glass Frame For Coin Display Wall Hanging ..." (<https://collegeofems.com/Coin-Display-Wall-Hanging-Coin-Collecting-Holders-Dollar-Bill/983708>). The image was also found on Etsy, which shows a listing for custom dollar bill art (<https://www.etsy.com/ie/listing/1407539034/custom-dollar-dollar-bill-art-100-dollar>). The image was also found on Redbubble, a website that sells stickers.

Elaboration

The evidence indicates that the image in the claim has been used on websites selling art and stickers. This suggests that the image is not an authentic X post from Elon Musk. The image appears to be a manipulated dollar bill featuring Donald Trump.

The reverse image search results do not provide any information to support the claim that the image is an authentic X post.

Final Judgement

The evidence suggests that the image is not an authentic X post from Elon Musk. The image has been found on websites selling art and stickers, indicating it is a manipulated image.

false

Verdict: FALSE

Justification

The image in the claim is not an authentic X post from Elon Musk. Reverse image searches revealed the image is used on websites selling art and stickers, indicating it is a manipulated image, and not an actual post from Elon Musk.
