On June 17, 2024, CNN (<https://www.cnn.com/2024/06/17/middleeast/netanyahu-disbands-israeli-war-cabinet-intl>) reported that Benjamin Netanyahu dissolved his war cabinet, which included Defense Minister Yoav Gallant. war cabinet, and Gallant is expected to be in a "smaller consultation forum". PBS News (<https://www.pbs.org/newshour/world/netanyahu-has-dissolved-israels-war-cabinet-amid-growing-frustrations-with-war-in-gaza>) also reported on June 17, 2024, that Netanyahu dissolved Israel's War Cabinet, which included Defense Minister Yoav Gallant. ## Elaboration

The claim that Yoav Gallant was killed in the Iranian attack on October 1, 2024, is not supported by the evidence. The evidence indicates that Gallant was the Defense Minister and was later replaced by Israel Katz. Furthermore, an article from October 23, 2024, shows Gallant speaking to Air Force pilots, which contradicts the claim of his death on October 1, 2024. Also, the war cabinet was dissolved on June 17, 2024.

## Final Judgement

The evidence indicates that Yoav Gallant was not killed in the Iranian attack on October 1, 2024. He was the Defense Minister and was later replaced. Furthermore, he was seen speaking to Air Force pilots on October 23, 2024.

false

**Verdict: FALSE**

## Justification

The claim is false. Evidence from multiple sources, including NPR and The Times of Israel, indicates that Yoav Gallant was the Defense Minister and was later replaced, and he was alive and active after the alleged date of his death. Additionally, Benjamin Netanyahu dissolved the war cabinet on June 17, 2024, which included Gallant.
