Grace Chong is a mouth breathing imbecile who attacks those of us in the fight rather than make herself useful.

If I had shown up to the vote in question, the nominee would have succeeded 49-46 rather than 49-45. If every Republican had showed up, Fetterman would have come in and the Democrats still would have gotten their nominee across.

When this 11th Circuit vote happened, I was meeting with President Trump to interview multiple positions for our government, including for FBI Director.

I tend to think it's more important to get an FBI director who will dismantle the deep state than it is for Republicans to lose a vote 49-46 rather than 49-45.

But that's just me.
