Evidence

Evidence from **reverse_search**

From [Source](#): Found exact image on website with title: Trump, Netanyahu meeting focuses on hostages, Saudi relations ... Content: The search result from Siasat.com contains the image

and reports on a meeting between Donald Trump and Benjamin Netanyahu in Washington. The article is dated February 4, 2025.

Elaboration

The image in the claim is present in an article on [siasat.com](https://www.siasat.com), which reports on a meeting between Donald Trump and Benjamin Netanyahu. The article is dated February 4, 2025. The evidence does not mention Elon Musk.

The claim is partially supported by the evidence, as the image shows Trump and Netanyahu. However, the evidence does not mention Elon Musk being present at the meeting. The date of the meeting is consistent with the claim.

I need more information to verify the presence of Elon Musk in the image.

Final Judgement

The evidence confirms the presence of Donald Trump and Benjamin Netanyahu in the image, but it does not mention Elon Musk. The date of the meeting is consistent with the claim.

Since the evidence does not confirm the presence of Elon Musk in the image, the claim is not fully supported. *false*

Verdict: FALSE

Justification

The image depicts Donald Trump and Benjamin Netanyahu, as confirmed by a reverse image search that found the same image in an article on [siasat.com](https://www.siasat.com), which reported on a meeting between the two. However, the evidence does not mention Elon Musk being present at the meeting, making the claim that the image shows all three individuals unverified.
